

# Plug into **smart** savings.

Earn a \$10 REBATE When You Purchase a  
"Smart Strip" or Intelligent Surge Protector.

If you are a **RESIDENTIAL ELECTRIC** customer of one of the utilities listed below, simply download your application at [mienergysmart.com](http://mienergysmart.com) or request one by calling **877.NRG.SAV1** (877.674.7281).

Then submit your completed application within 30 days of purchase.

while many electrical devices continue to use power even when they are turned off, "smart strips" stop usage at the socket, reducing consumption.
