

Grand Haven Board of Light & Power

Community-Owned . Locally Controlled . Not-For-Profit . Environmentally Responsible

Hometown Helping Hand

Hometown Helping Hand is a program implemented by the Board of Light & Power to raise additional funding for assisting families in need in the Grand Haven area with paying past due electric bills.

The Board of Light & Power donates a portion of the revenue generated from its door tag disconnect notice program to supplement the Hometown Helping Hand program.

You can help too by making a tax deductible one time contribution or a monthly contribution that can be added to your electric bill as a separate line item each month.

Funds will be held by the Board of Light & Power for distribution through the Salvation Army's assistance program. 100% of funds collected go to the Hometown Helping Hand assistance program.

For a one time donation, simply include a separate check with your utility bill stub written to Hometown Helping Hand.

To make a monthly contribution, complete and return this form to the Board of Light & Power by enclosing it with your postal delivery utility bill stub and payment or by dropping it at our office at 1700 Eaton Drive.

If you have any questions, please contact our Customer Service office at 616 846 6250 or visit our website at www.ghblp.org.
