

**BOARD OF LIGHT & POWER
Grand Haven, Michigan
Schedule GE-18
Green Energy Rider
Page 1 of 1**

AVAILABLE

This rider is available under this schedule for the entire area served by GHBLP's electric system.

CHARACTER OF SERVICE

GHBLP will purchase renewable energy credits per the participant enrollment.

MONTHLY RATE

Consumers electing this premium service will receive an additional charge per Kwh of:

\$.02 per kWh

- Elections must be made in 100 kWh blocks (above % included in base rate)
- Elections can be made annually with automatic renewal and will be billed until notification is received to terminate

*The estimated cost to purchase renewable energy credits including administration is \$.02 per kWh. GHBLP reserves the right to adjust this Green Energy Rider Rate if the renewable energy credit rates change.
