PUBLIC NOTICE **ELECTRONIC BOARD MEETING**

Governor Whitmer has signed into law Senate Bill 1246 giving local units of government the ability to conduct public meetings through remote access technology, including conference calling, real-time streaming, or other platforms through March 31, 2021.

This order will allow local government to meet virtually for the purposes of passing budgets, authorizing emergency spending, and taking other action necessary to conduct essential government business in public meetings without endangering the health and safety of the participants of these meetings.

Please take notice that Grand Haven Board of Light & Power's Board of Directors will hold an electronic Board meeting on Thursday, February 18, 2021, at 4:00 p.m.

Please see the procedures below for public participation.

Individuals will have two opportunities to participate in the Public Comment period in real-time during the meeting:

1. Prior to the virtual meeting, residents may electronically submit comments or questions to the Board Secretary via email rmolyneux@ghblp.org. Electronic submissions must contain the individual's name and address.

2. Participants may speak publicly by 'raising their hand' in Zoom when the Board reaches the Public Comment portion of the meeting. Speakers will be unmuted by the meeting moderator in the order to provide comments. Those speaking must give their name and address, are limited to three minutes, and should speak very clearly in order to be heard by all participants.

The Agenda will be available after 5:00 p.m. on Monday, February 15, 2021 on the Board of Light & Power's Website at: <https://ghblp.org/about-us/board-meeting-minutes-schedule/>.
