

GRAND HAVEN BOARD OF LIGHT AND POWER Residential Energy Efficiency Program 2023 Incentive Application

Ready to start your project? Follow these 3 simple steps.

Step #1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with an Energy Smart advisor by calling **877-NRG-SAV1** (877-674-7281) to make sure your project is eligible for Energy Smart incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by Grand Haven Board of Light and Power.

Step #2: Complete Your Project

Install your new, energy-efficient equipment, following the specifications listed in this application.

Step #3: Apply for Your Cash Incentive

Once your project is complete, it's time to request your cash incentive. You must submit:

1. A completed and signed application
2. Itemized invoice(s) for contractor-installed equipment, including installation date, costs for equipment installed and installation labor
3. For ENERGY STAR® products/equipment, the ENERGY STAR® logo and a copy of invoice/receipt
4. For all other items just send in a copy of the invoice/receipt

Your completed application and the required materials listed above must be received by December 31, 2023.

Limited funds are available. Please allow 8-10 weeks to receive your Energy Smart incentive check from the time your completed application is received.
