

GRAND HAVEN BOARD OF LIGHT AND POWER Residential Energy Efficiency Program 2025 Incentive Application

Ready to start your project? Follow these 3 simple steps.

Step #1: Make Sure Your Project is Eligible

Check the specifications listed in this application and/or speak with an Energy Smart advisor by calling **877-NRG-SAV1** (877-674-7281) to make sure your project is eligible for Energy Smart incentives. All equipment must be new and installed or operated in a residential dwelling, whose electric service is provided by Grand Haven Board of Light and Power.

Step #2: Complete Your Project

Install your new, energy-efficient equipment, following the specifications listed in this application.

Step #3: Apply for Your Cash Incentive

Once your project is complete, it's time to request your cash incentive. You must submit:

1. A completed and signed application
2. Itemized invoice(s) for contractor-installed equipment, including installation date, costs for equipment installed and installation labor
3. A copy of the invoice or receipt for products purchased by the customer
4. The ENERGY STAR® logo for ENERGY STAR certified products or equipment

Your completed application and the required materials listed above must be received by **November 30, 2025**.

Limited funds are available. Please allow **8-10 weeks** to receive your Energy Smart incentive check from the time your completed application is received.
